*** Fewer than 10 students in this cohort*

Note: results may not match earlier publication as they now include students from both Ashford University and University of the Rockies.

*** Definitions:**

- Annual Cohort A group of students who share the same academic entry year. An academic entry year is defined as July 1 through June 30. Students are included in the annual cohort when they matriculate.

- Graduation Rate The number of students in the Annual Cohort who have graduated within 150% of the normal time to earn the degree divided by the number of students in the Annual Cohort.
