OVERALL RECOMMENDATIONS

Program Learning Outcome 1 Recommendations:

1.1 Review course and course resources to increase student performance and rigor in ECE 203 and ECE 205.
1.2 Evaluate faculty grading to ensure consistent application of the assignment grading rubric.
1.3 Develop a career specific survey in the College of Education that is reviewed by an Advisory Committee made up of external practitioners.

Program Learning Outcome 2 Recommendations:

2.1 Review course and course resources to increase student performance ECE 101 and rigor in ECE 203.
2.2 Improve student learning by identifying learning patterns where students experience common difficulty with ECE concepts.
knowledge, or skills and develop intervention strategies and options for students who do not master PLO 2.

2.3 Raise demonstration of student mastery level 5% for ECE 203 within year of course improvements.
2.4 Evaluate faculty grading to ensure consistent application of the assignment grading rubric.
2.5 Assess and ensure that there are a variety of professional development opportunities.

Program Learning Outcome 3 Recommendations:

3.1 Review course and course resources to increase student performance in PED 212 and ECE 201.
3.2 Improve student learning by identifying learning patterns where students experience common difficulty with ECE concepts, knowledge, or skills and develop intervention strategies and options for students who do not master PLO 3.
3.3 Raise demonstration of student mastery level 5% within year of course improvements.
3.4 Evaluate faculty grading to ensure consistent application of the assignment grading rubric.
3.5 Include additional assessment components and peer review to further evaluate student work.
3.6 Increase the amount of differentiated instructional strategies.
3.7 Implement a Waypoint rubric in PED 212.

Program Learning Outcome 4 Recommendations:

4.1 Review course and course resources to increase student performance in the area of special needs learners in ECE 101, ECE 201, and rigor in ECE 208.
4.2 Evaluate faculty grading to ensure consistent application of the assignment grading rubric.
4.3 Raise demonstration of student mastery level 5% within year of course improvements.
4.4 Improve student learning by identifying learning patterns where students experience common difficulty with ECE concepts, knowledge, or skills and develop intervention strategies and options for students who do not master PLO 4.

Program Learning Outcome 5 Recommendations:

5.1 Review course and course resources to increase student performance in ECE 101 and rigor in ECE 205.
5.2 Evaluate faculty grading to ensure consistent application of the assignment grading rubric.
5.3 Raise demonstration of student mastery level 5% within year of course improvements.
5.4 Improve student learning by identifying learning patterns where students experience common difficulty with ECE concepts, knowledge, or skills and develop intervention strategies and options for students who do not master PLO 5.
5.5 Include additional assessment components and peer review to further evaluate student work.
5.6 Increase the amount of differentiated instructional strategies.
