PLA CREDIT EVALUATION
SUMMARY FOR:
Bright Horizons
Ashford University recognizes the uniqueness of each student’s experience and realizes that learning takes place in a variety of environments. The Prior Learning Assessment (PLA) program provides a means for awarding credit to students who bring college-level learning experiences acquired outside of a traditional university classroom setting. Students may pursue their academic and professional goals through a variety of degree programs at Ashford University.

For additional information on Ashford’s degree programs, please visit success.ashford.edu.

As part of an agreement with Ashford University, specific Bright Horizons trainings have been evaluated by the PLA Department, and credit awards have been determined. Once a student meets eligibility requirements, the PLA submission fee will be waived for the Bright Horizons trainings listed below.
