

PLA CREDIT EVALUATION SUMMARY FOR:

ManTech International

Ashford University recognizes the uniqueness of each student's experience and realizes that learning takes place in a variety of environments. The Prior Learning Assessment (PLA) program provides a means for awarding credit to students who bring college-level learning experiences acquired outside of a traditional university classroom setting. Students may pursue their academic and professional goals through a variety of degree programs at Ashford University.

For additional information on Ashford's degree programs, please visit success.ashford.edu.

As part of an agreement with Ashford University, specific ManTech International trainings have been evaluated by the PLA Department, and credit awards have been determined. Once a student meets eligibility requirements, the PLA submission fee will be waived for the ManTech International trainings listed below.

ManTech International	
Training Title	Credit Recommendation*

*Credit recommendations are subject to the student's major and transfer credits.

Credit recommendation shown is the maximum number of credits students can receive if additional credits are needed to fulfill the elective requirement for graduation.

STUDENT ELIGIBILITY FOR THE ManTech International TRAINING

STUDENTS ARE ELIGIBLE TO APPLY FOR PLA CREDIT ONCE THE FOLLOWING REQUIREMENTS ARE MET:

- Current ManTech International employee
- Full admission into an Ashford University undergraduate degree program
- Need additional credits to fulfil the elective requirement for graduation

STUDENTS ARE RESPONSIBLE FOR THE FOLLOWING:

- Discuss PLA with their Academic Advisor
- Review policies and procedures posted in the PLA Information Center
- Register in the PLA Credit Review Center, submit a Credit Rationale Paper, and submit proof of training completion from ManTech International

TRANSFER PROVISIONS

Students must complete 120 credits to obtain a Bachelor's degree. A maximum of 90 combined nontraditional learning, prior learning, and transfer credits may be accepted and applied toward the 120 credit requirement. Within the 90 credit maximum, a maximum of 75 credits of nontraditional credit, including a maximum of 30 credits of prior learning, may be applied toward degree completion. Washington residents may apply a maximum of 30 credits toward a bachelor's degree from any combination of prior learning assessment or other nontraditional learning, including national testing programs, or credit recommendation services. Georgia residents may apply a maximum of 30 credits toward a Bachelor's degree from credit by examination and prior learning assessment. California residents may apply 15 PLA credits towards the first 60 credits and 15 credits towards the last 60 credits per the California Bureau of Postsecondary Education (BPPE). The prior learning assessment option is not available to non-degree seeking students or to students in a graduate degree program. Official transfer credit evaluation takes place once a student is enrolled at Ashford University, and all official transcripts have been received. For additional information on Ashford University's transfer options, please visit: <https://www.ashford.edu/online-admissions/transferring>.
