  - Has earned a minimum of 20 transferable credits* as defined by Ashford University transfer credit policies;
  - Has 0-19 transferable credits and successfully completed the Student Success Orientation course;
  - Is seeking readmission to Ashford University after withdrawal from a degree program;
  - Is a current degree-seeking student at Ashford University requesting to change majors; or

^Due to the accelerated, adult-learner focus of the academic programs, applicants under the age of 18 generally will not be admitted.

- Have a regular high-school diploma earned through college preparatory or regular high school courses, a GED or state certificate awarded after passing an authorized test that the state recognizes as equivalent to a high school diploma, completed secondary school through home schooling as defined by state law, or earned an equivalent to a US high school diploma at an international high school according to approved Foreign Evaluation services.**
  - An earned IEP or Special Education Diploma or Certificate of Completion based upon IEP goals does not meet the regular high school diploma requirement for admission to Ashford University.
  - Qualified applicants will self-certify as to their high school education on the application for admission. Ashford University may will also require, at its discretion, that an applicant or student provide a high school transcript, high school diploma, and/or evidence of passing the GED or state certificate awarded. Failure to provide documentation by Day 7 of Week 3 will result in the student being denied admission.
  - If no high school diploma was earned, applicants who have successfully completed at least a two-year program or have earned a minimum of 60 transferable credits that is acceptable for full credit toward a bachelor’s degree from an appropriately accredited postsecondary institution, as defined by Ashford University transfer credit policies, may be admitted. For the TOEFL, a minimum score of 500 paper based or 61 Internet-based is required. For the IELTS, a minimum score of 6 is required. Copies of official scores must be submitted prior to provisional enrollment, and
official scores must be submitted for full admission.

**Requirements for residents of California and Mississippi, are outlined separately; please refer to Additional Admission Requirements for Residents of California and Mississippi.**

***Satisfying the English Language Requirement does not exempt a student who earned his/her high school diploma outside of the United States from the additional admission requirements for applicants with international academic credentials.

^If satisfying the English Language Requirement through a high school diploma, GED, or equivalent was not completed in the United States, additional documentation may be required. Please contact the Registrar’s Office for further information.

^^ Under 18 applicant seeking to enroll in a Bachelor’s Degree program must appeal in writing to the University Registrar. The appeal must include a written essay and submission of unofficial documentation showing proof of High School graduation as outlined in the catalog. Appeal decisions will be communicated from the Registrar’s Office to students via email and must be approved prior to enrollment. All Under 18 applicants are required to successfully complete Student Success Orientation.

Conditionally admitted students who do not achieve provisional or full admission status after one attempt in the Ashford Promise are allowed a second period of conditional admission to be provisionally or fully admitted. Attendance in the first course is confirmation of a student’s intent to matriculate and, therefore, constitutes an attempt. Subsequent withdrawal from the course or institution, whether administrative or student-initiated, concludes an attempt.

Failing to meet Basic Academic Requirements (BAR) (attaining a cumulative course grade of C- or better as of Day 6 of Week 3 in the first course) also concludes an attempt. Students who fail to meet Basic Academic Requirements are denied admission and are required to successfully complete the Student Success Orientation as a prerequisite to a subsequent attempt (if they have not already successfully completed it).

Students who are administratively withdrawn for failing to submit required Financial Aid documents during the conditional admission period are required to submit the required documents as a prerequisite to a subsequent attempt.

Ashford University reserves the right to deny admission or re-admission to any applicant. Ashford University does not admit students based on an “ability-to-benefit” test. Ashford University recognizes the importance of protecting student privacy and reserves the right to request documentation to establish or verify any student’s identity at any time, for administrative or compliance purposes. Students are expected to provide such documentation, and failure to do so may be considered a violation of the Student Community Standards. The University may deny or rescind admission to any student for failure to authenticate his or her identity.

Applicants are conditionally admitted to a Bachelor’s degree program when they submit a completed application indicating that they meet admission requirements outlined for that program and are approved by the Registrar’s Office. Applicants in a conditional admission status are not eligible for Title IV funds and are not considered regular students until granted provisional or full admission.

Admissions Policies and Procedures for Doctoral Programs

Conditional Admission Requirements
Applicants seeking admission to any Doctoral program must meet the following admission requirements prior to the start of the first course at Ashford University:
1. Provide proof of a Master’s degree from a regionally or approved nationally accredited institution with a graduate-level cumulative GPA of 3.0 or higher, or an earned Doctoral degree from a regionally or approved nationally accredited institution. Applicants must
provide an unofficial or official transcript demonstrating degree completion by day 7, Week 3 of their first course or they will be denied admission;

- Students who have completed 12 credits or more of doctoral-level coursework may have their GPA calculated for doctoral coursework to meet the 3.0 graduate GPA requirement.

2. Have access to a computer with an Internet connection and meet the minimum technology requirements and minimum computer skills, abilities, features, system configurations, hardware, and software outlined in the General Academic Information & Policies section of this Catalog;

Conditionally admitted students who do not achieve provisional or full admission status after one attempt in the Ashford Promise, are allowed a second period of conditional admission to be provisionally or fully admitted.

Attendance in the first course is confirmation of a student’s intent to matriculate and, therefore, constitutes an attempt. Subsequent withdrawal from the course or institution, whether administrative or student-initiated, concludes an attempt.

Students who are administratively withdrawn for failing to submit required Financial Aid documents during the conditional admission period are required to submit the required documents as a prerequisite to a subsequent attempt.

Provisional Admission Requirements

Students must attend beyond Week 3 of their first course and have submitted official or unofficial college transcripts in order to be provisionally admitted to a Doctoral degree program at Ashford University.

Attendance beyond Week 3 constitutes a student’s confirmation of their intention to continue in the program as a regular student. Upon attendance beyond Week 3 of their first course, students are considered matriculated, regular students in their degree program. Students who meet the requirements for Full Admission will be fully admitted into the degree program.

Full Admission Requirements

The following requirements must be met prior to the conclusion of the third (3rd) attempted Ashford University course in a degree-seeking program. To start the fourth (4th) course, students must complete all the requirements subsequently outlined and must meet all admissions requirements applicable to their specific degree program. Students who do not complete all requirements will not be fully admitted and will be withdrawn from the program.

- Submission of an official transcript from the regionally accredited or approved nationally accredited institution that awarded the Master’s degree indicating a minimum GPA of 3.0 or an official transcript from a regionally or approved nationally accredited institution that awarded a Doctoral degree, with a degree conferral date prior to the start of the first course at Ashford University.
  - Students who have completed 12 credits or more of doctoral-level coursework may have their GPA calculated for doctoral coursework to meet the 3.0 graduate GPA requirement.
