Course Descriptions
(Includes only new, revised or discontinued)

Please see the Course Descriptions section in the Online Catalog for course descriptions not listed below. Revised course descriptions will be shown in italics, discontinued courses will be indicated with a strikethrough. New course descriptions will be standard font.

BUS 410 Digital Marketing Essentials 3 Credits
This course is designed to provide the theoretical understanding of the digital marketplace necessary to adapt to its many changes, while also equipping students with the skills they will need to perform vital functions of digital marketing. Prerequisite: BUS 330.

BUS 495 Marketing Capstone 3 Credits
This course is designed to bring together marketing knowledge gained throughout the entire program. Students will demonstrate a mastery of marketing components by designing and developing a strategic marketing plan for a product or service. The plan will reflect an understanding of the real-world problems by offering realistic solutions to business-to-business markets as well as domestic and global markets. Students will formulate the marketing plan sustainably and responsibly by evaluating various concepts such as consumer behavior, environmental analysis, market research, marketing mix (product, price, place, promotion), and digital and social marketing practices. Prerequisites: GEN 499. This course must be taken last in the program.

COM 327 Visual Communication 3 Credits
Students will be introduced to communication fields’ standards related to the design of visual messages and the various software programs within the field. This course will teach students the importance of visual elements in communication, and how to effectively incorporate visual elements into messages for various media platforms.

ECE 311 Early Childhood Curriculum & Methods 3 Credits
Course is no longer offered.

ECE 430 Early Childhood Education Capstone 3 Credits
Course is no longer offered. Equivalent to EDU 499.

ECE 497 Child Development Capstone 3 Credits
Course is no longer offered. Equivalent to EDU 499.

EDU 417 Cognitive Studies Capstone 3 Credits
Course is no longer offered. Equivalent to EDU 499.

EDU 440 Information Literacy 3 Credits
This course will prepare students to be information-literate practitioners within a library environment. Students will learn the six frameworks of the Association of College and Research Libraries (ACRL) Framework for Information Literacy for Higher Education, and will examine ways of teaching information literacy to library users.

EDU 495 Library Science & Media Capstone 3 Credits
Course is no longer offered. Equivalent to EDU 499.

EDU 496 Capstone Instructional Design 3 Credits
Course is no longer offered. Equivalent to EDU 499.

EDU 498 Education Studies Capstone 3 Credits
Course is no longer offered. Equivalent to EDU 499.

EDU 695 MAED Capstone 3 Credits
Course is no longer offered. Equivalent to EDU 696.

ELL 417 English Learner Studies Capstone 3 Credits
Course is no longer offered. Equivalent to EDU 499.

ENG 325 Intermediate Composition 3 Credits
Students in this course will practice writing for multiple audiences and purposes. In addition to researching academic arguments, the course emphasizes the analysis of discourse and writing in a variety of contexts, including public, personal, political, and professional. Students will synthesize the various voices that are involved in conversation, debate, and action, as well as add to the dialog with their own nuanced contributions. This course will focus on advancing critical thinking, analytical research, and written communication skills through English composition assignments and activities. Prerequisites: ENG 121 and ENG 122 or equivalents.

Intermediate Composition is designed for students who have some experience with college level writing but want to develop their ability to write. The goal of this course is to help students learn techniques for writing effective narrative, reflective, analytical, and research essays. These techniques include the effective use of specific details to engage and persuade readers, methods of organization that enable readers to follow a line of thinking, and strategies for editing sentences for clarity and conciseness.

HCA 322 Health Care Ethics & Medical Law 3 Credits
Prerequisites: GRO 325, HCA 305, HCA 205, HPR 201, HPR 231 or NUR 300.

HSM 318 Emergency Planning and Response 3 Credits
This course will provide students with the skills to develop a comprehensive plan for risk analysis, threat assessment, staffing an emergency operations center, coordinating with supporting agencies, and the creation of a continuing testing program. Analysis of historical incidents as well as realistic scenarios are used to teach students how to plan for natural disasters as well as terrorism and other emergencies at the federal, state and local levels.

This course is designed to provide students with the ability to evaluate an emergency incident, determine its scope, understand the function of the first responders, learn the communication procedures necessary to alert the appropriate agencies, and understand how first responders are dispatched. Students will create a recovery plan for response to large scale incidents.

LEA 420 Socio Cultural Intelligence in Criminal Justice 3 Credits
LEA420 Socio-Cultural Intelligence in Criminal Justice will introduce students to the concept of effectively engaging with individuals from aspects of society different than their own. Emphasis will be on the implications of cultural intelligence for criminal justice practitioners in today’s increasingly complex...
to organizational perspectives. This will include an exploration of changing social expectations, developing a diverse workforce that is reflective of the community, and the implications of cultural intelligence in problem solving, decision-making, and communication, as well as examining both explicit and implicit bias.

LIB 318 Peacemaking: A Study of Conflict Resolution 3 Credits
Course is no longer offered.

LIB 320 Global Socioeconomic Perspectives 3 Credits
Course is no longer offered.

LIB 323 Revolution & Terrorism in the Modern World 3 Credits
Course is no longer offered.

MIL 497 Military Studies Capstone 3 Credits
In this final course, students will demonstrate their mastery of program outcomes in the Bachelor of Arts in Military Studies by creating an original research report on a current, relevant, and well-defined subject area. Prerequisite: Successful completion of the General Education Capstone course. Students will demonstrate their mastery of the learning outcomes of the Military Studies major by demonstrating the ability to conduct historical research using primary and secondary sources and by creating a final research paper requiring comprehensive critical analysis of an approved topic in the areas of military leadership, conflicts, peace-making, peace-keeping, and humanitarian efforts.

MPH 603 Applied Behavioral Science 3 Credits
Prerequisites: MPH 602, HIA 625, and Faculty Advisor Approved

MPH 604 Principles of Epidemiology 3 Credits
Prerequisite: MPH 603-HIA 625

MPH 605 Environmental Health Sciences 3 Credits
Prerequisites: MPH 606 and Preliminary Practicum Work Approved

MPH 699 Public Health Capstone/ Culminating Experience 3 Credits
Prerequisite: MPH 605 and MPH 650

PED 212 Foundation of Movement & Motor Activities 3 Credits
Last offer date will be 9/17/2019. Equivalent to ECE 207.

POL 211 Introduction to Politics 3 Credits
Course is no longer offered.

PPA 220 Public Service Leadership 3 Credits
PPA 220 Public Service Leadership examines the concepts and principles found in public service leadership. Introduces public sector leadership theories and explains the impact on government and societal relationships. Examines the role of ethics in the public service realm and the importance of building trust with the organization and the citizenry. Explores innovations for new leadership models for the future.

PPA 310 Public Organizational Theory & Behavior 3 Credits
PPA 310 Public Organizational Theory and Behavior presents the theories of how people behave in organizations with the emphasis on public sector and non-profit organizations. This course addresses Organization Behavior, Organization Theory, and Public Management with emphasis on public accountability while providing a perspective for managing public and nonprofit sector organizations. The focus is on the primary foundational aspects of organizational structure, communication, and accountability directly to the citizen. Students will also apply theory to practice and understand how to respond to the public mood of cutback and reduction in addition to an overall distrust of government.

PSY 325 Statistics for the Behavioral & Social Sciences 3 Credits
Descriptive and inferential statistics are investigated and multiple techniques for statistical analysis are introduced in this course. Formulas for presenting and evaluating data are explored in accordance with generally accepted protocol for statistical analysis. Prerequisite: MAT 232 (students in the RN-BSN program are waived from the MAT 232 course prerequisite)

SSC 320 Global Socioeconomic Perspectives 3 Credits
This course is an examination of global socioeconomic development in the context of globalization. Topics include population growth, natural resources, sustainable growth, migration, diplomacy, and the global consequences of inequality, poverty, and war. These topics are examined through the lens of social expectations, gender ideals, and economic justice. Equivalent to LIB 320.

SSC 330 Peacemaking: A Study of Conflict Resolution & Activism 3 Credits
An interdisciplinary study of peacemaking and activism with a focus on how they impact conflict resolution. Students examine thinking and behavior in response to social conflict such as aggression, threats, prejudice, avoidance, withdrawal, conformity, and obedience. Students study various strategies of peacemaking, activism, and negotiation and then apply these methods to in class activities. Equivalent to LIB 318.
Errata

The errata listed below apply to the 2019-2020 Ashford University Academic Catalog (effective date is July 1, 2019 unless otherwise noted). Entries below are provided to correct information presented in the original publication of the Catalog. Page numbers are provided to reference where the original entry may be found. To view all updates in context of the original publication, access the Online Catalog. If you have questions related to changes listed, please contact your Student Advisor for assistance.

Ashford University Alumni Tuition Grant

Students who graduate from an Ashford University or University of the Rockies Master’s degree program and enroll in an Ashford University Doctoral program also qualify for the Alumni Tuition Grant. Students awarded this grant will receive a 25% tuition discount per course. This discount may not be utilized concurrently in the same enrollment period with any other Ashford University sponsored grant, scholarship, or benefit program. To maintain eligibility, students must maintain Satisfactory Academic Progress and remain continuously enrolled at the University.

Page 96
Revision, Effective 7/16/2019

Program Enrollment and Cancellation

Ashford University reserves the right to cancel or terminate the agreement if the applicant fails to engage in Student Success Orientation (if required to enroll in Student Success Orientation), meet basic academic requirements during conditional admission, violate the Student Community Standards, fail to make satisfactory academic progress, fail to make payment in accordance with the terms of his or her student finance agreement, and/or fail to meet attendance requirements as outlined in this Catalog. Applicants who are denied admission may be allowed one more period of conditional admission at Ashford University. Individuals who are denied admission two times while in conditional standing may re-apply to Ashford University no earlier than six months from their last date of attendance.

Page 105
Correction, Published 7/31/2019

Repeated Courses – Doctoral

During Coursework phase of a student’s program:
Students may repeat any course with grades of C, C+, U, WU, or NP (In-Residence Workshops only) once. A maximum of two different courses with grades of C, C+, U, WU, or NP may be repeated. Grades of C and C+ will count towards meeting degree requirements; however, a student may only receive a combination of two C, C+, U, WU, and NP grades at the Doctorate level.

If a single course is failed more than once, or more than two different courses are failed, students exceed the number of allowable C, C+, U, WU, and NP grades. If a student has less than a 3.0 GPA and exceeds the number of allowable C, C+, U, WU, and NP grades, the student will be academically dismissed from their program of study. If the student has a 3.0 GPA or greater, the student will be granted an exception to the number of allowable C, C+, U, WU, and NP grades and may continue attending courses without interruption, but the student must retake any unsuccessful grades applicable to the current program within the next three (3) courses. While all courses and grades remain on a student’s transcript, any course with a C, C+, U, WU, or NP grade may be excluded from this policy if a subsequent 18 credits of coursework with grades of B- or better is completed.

During the Doctoral Research phase (beyond Capstone) of a student’s program: Students may earn a maximum of two NP grades during the Doctoral Research phase of their program: Dissertation Planning
I. Dissertation Planning II, Applied Doctoral Project Planning I, Applied Doctoral Project Planning II, Dissertation, Dissertation Extension, Applied Doctoral Project, Applied Doctoral Project Extension courses, and/or In-Residence Workshops, if applicable. Students who exceed the number of allowable NP grades during the Doctoral Research phase will be academically dismissed from their program of study.

Courses that must be repeated due to an unsuccessful grade do not count towards eligibility for financial aid. This may affect the student’s eligibility for financial aid funds. Students are encouraged to contact the Financial Aid Office for more information.

Repeated Courses - Doctoral

A student may repeat any course with grades of C, C+, NP, U, and WU once. A maximum of two different courses with grades of C, C+, NP, U, and WU may be repeated. Grades of C and C+ will count towards meeting degree requirements; however, a student may only receive a combination of two C, C+, NP, U, and WU grades at the Doctorate level.

If a single course is failed more than once, or more than two different courses are failed, exceed the number of allowable C, C+, U, and WU grades. If a student has less than a 3.0 GPA and exceeds the number of allowable C, C+, U, and WU grades, the student will be academically dismissed from their program of study. If the student has a 3.0 GPA or greater, the student will be granted an exception to the number of allowable NP grades in Dissertation, Dissertation Extension, Applied Doctoral Project, and/or Applied Doctoral Project Extension courses. Students who exceed the number of allowable NP grades in Dissertation, Dissertation Extension, Applied Doctoral Project, and/or Applied Doctoral Project Extension courses will be academically dismissed from their program of study.

A maximum of two different courses with letter grades of F, or WF may be repeated once at the graduate level. If a single course is failed more than once, or more than two different courses are failed, exceed the number of allowable F or WF grades and will be automatically dismissed from their program of study. All courses remain on the transcript. Unsuccessful completion of the first course of a student’s program will result in the rescheduling of the course and revision of future course sequence. There is no restriction on the number of courses with a grade of C or W that may be repeated at the Master’s level so long as other requirements of satisfactory academic progress are met. The grade point average will be calculated based on the grade given in the second course. Exceptions to the limit on repeating courses must be approved by the Vice President of Academic Services, the University Registrar, or designee.

Doctor of Psychology, Clinical Specialization Program:

A student may repeat any course with grades of C, C+, NP, U, and WU once. A maximum of two different courses with grades of C, C+, NP, U, and WU may be repeated. Grades of C and C+ will count towards meeting degree requirements; however, a student may only receive a combination of two C, C+, NP, U, and WU grades in their program.

If a single course is failed more than once, or more than two different courses are failed, students exceed the number of allowable C, C+, NP*, U, and WU grades. If a student has less than a 3.0 GPA and exceeds the number of allowable C, C+, NP*, U, and WU grades, the student will be academically dismissed from their program of study. If the student has a 3.0 GPA or greater, the student will be granted an exception to the number of allowable C, C+, NP*, U, and WU grades and may continue attending courses without interruption, but the student must retake any unsuccessful grades applicable to the current program within the next three (3) courses. While all courses and grades remain on a student’s transcript, any course with a C, C+, NP, U, or WU grade may be excluded from this policy if a subsequent 30 credits of coursework with grades of B- or better is completed.

Doctorate level students may earn a maximum of two NP grades in Dissertation, Dissertation Extension, Applied Doctoral Project, and/or Applied Doctoral Project Extension courses. Students who exceed the number of allowable NP grades in Dissertation, Dissertation Extension, Applied Doctoral Project, and/or Applied Doctoral Project Extension courses will be academically dismissed from their program of study.

All courses remain on the transcript. Unsuccessful completion of the first course of a student’s program will result in the rescheduling of the course and revision of future course sequence. There is no restriction on the number of courses with a grade of C or W that may be repeated at the Master’s level so long as other requirements of satisfactory academic progress are met. The grade point average will be calculated based on the grade given in the second course. Exceptions to the limit on repeating courses must be approved by the Vice President of Academic Services, the University Registrar, or designee.

Dismissed students should refer to the Appeal of Academic Dismissal policy outlined in this Catalog. Appeals are evaluated by an Appeals Committee made
up of the University Registrar or designee, and representative from Academic Affairs. Students who are denied re-admission after an appeal will not be eligible to submit another appeal for a period of less than six (6) months since their last appeal was received by the University. Students who have an approved appeal and do not successfully complete their next scheduled repeated course will be dismissed and may not submit another appeal for a period of less than six (6) months. Courses that must be repeated due to an unsuccessful grade do not count towards eligibility for financial aid. This may affect the student’s eligibility for financial aid funds. Students are encouraged to contact the Financial Aid Office for more information.

Incomplete Grades

Eligibility Criteria

For students experiencing temporary hardships, Incomplete “I” grades may be issued at the discretion of the instructor. To issue a grade of “I” for a course, the following conditions must be met:

- The student must have completed at least 2/3 of the assignments in the course;
- With the exception of assignments due during the final week of the course, the student’s Course Weighted Average to Date must be at least 59.50 (undergraduate students) or 69.50 (graduate students); and
- The student must submit an Incomplete Grade Request to his or her instructor prior to the submission of final grades.

Due to required hours necessary for a particular term of a registered Practicum and the multiple term experience for Internship, and Doctoral Research Dissertation/Applied Doctoral Project courses, incomplete grades may not be issued for Practicum, Internship, Dissertation/Applied Doctoral Project Planning I and II/Applied Doctoral Project or Dissertation/Applied Doctoral Project Extension or Dissertation/Applied Doctoral Project courses, with the exception of the final Practicum or Internship course in the series.

Bachelor’s Degree Transfer Credit, Prior Learning Credit, and Nontraditional Credit Provisions and Limitations

- A maximum of 90 credits of combined nontraditional learning, prior learning, and transfer credits may be accepted and applied toward the 120 credits required for a Bachelor’s degree.
- Within the 90 credit maximum, a maximum of 75 credits of nontraditional credit, including a maximum of 30 credits of prior learning may be applied toward degree completion. These 75 credits can be any combination of acceptable types of nontraditional credit.
- Within the 75 credit nontraditional maximum, a maximum of nine (9) nontraditional credits may be applied toward the major requirements (including additional majors). Nontraditional credits may also apply up to a maximum of 50% of the requirements for a minor or specialization or 100% of the requirements for a transfer concentration. The content of nontraditional credits must be comparable to the content of the replaced course.
- Nontraditional credit may not be counted toward the residency requirement in a degree program.
- Nontraditional credit may not be granted when it duplicates college credit previously earned. Credit will not be given for the same learning twice.
- Nontraditional credit is posted to the transcript as credit earned (i.e., without a grade), and does not affect a student’s grade point average.
- PLA credit cannot be awarded for a course previously taken with the University when a failing grade was received.
- A maximum of nine (9) credits with a “D” grade are transferable into a program of study as long as the student’s cumulative overall GPA is 2.0 or above. If students sign an Authorization to Close File form or all transcripts are not obtained, their CGPA cannot be determined therefore, “D” grades cannot be applied. “D” credits cannot be applied toward the major or toward General Education competencies at any time.
- Maximum allowance of six (6) credits may be accepted from Physical Education type activity courses (unless student was a prior PE major). Physical Education type credits are generally applied towards the elective credit requirement.
- Maximum allowance of six (6) credits may be accepted for software applications courses.
- Unless special conditions exist, upper-division courses will not be considered equivalent or duplicative of lower-division courses.
• Credits earned from a regionally or approved nationally accredited institution as part of an Associate degree where a student earned a 2.0 cumulative GPA or higher are accepted as fulfilling all General Education competency and core competency requirements of a Bachelor’s program*, with the exception of Foundations and Skills for Lifelong Learning General Education Competency, and the General Education Capstone, if one of the two subsequent conditions is satisfied:
  o The student meets the General Education requirements for Bachelor degrees offered through state universities in which the college granting the Associate degree resides; OR
  o The transfer credits and Associate degree have been evaluated and deemed acceptable by the University Registrar’s Office.

*This does not constitute a waiver of any course required to earn a particular major.

* Certificate programs and Associate degrees with minimal general education coursework Associate of Applied Science (AAS) degrees will not be accepted as fulfilling all General Education core or competency requirements and Credits earned in an AAS degree or certificate program will be evaluated on an individual course by course basis for application toward the Bachelor's degree. Courses taken that are similar to those taken in an Associate of Arts or Associate of Science degree program will be accepted in transfer.

• Georgia residents may apply a maximum of 30 credits toward a Bachelor’s degree from credit by examination and prior learning assessment.

Page 143
Revision, Effective 7/16/2019
Student Success Orientation

The orientation is designed to provide students with a complete overview of the Ashford University experience, prepare them for success in their courses, and help them to self-evaluate their readiness to succeed in an online classroom setting.

Students will be instructed on Ashford University policies and the learner resources that are available to them through interactive videos and assessments. Students enrolled in orientation must successfully complete all assigned activities. Students who do not participate in a gradable activity during Week 1 will have their enrollment cancelled. Students will need to work with their Enrollment Services Advisor to be rescheduled.

Students must successfully complete orientation prior to commencing any credit-bearing coursework at Ashford University, if required. Students who have successfully completed online coursework at Ashford University are exempt from the orientation requirement.

Page 147
Revision, Published 9/11/19
General Education Course Sequence

The following General Education course sequence is the standard for the University. Courses may be substituted to satisfy specific General Education requirements. Associate students and Bachelor students with who transfer in with less than 30 transferrable credits will be scheduled to take GEN 104 as their 3rd course following GEN 102. GEN 104 will satisfy 3 credits of elective requirements.

Page 175 and various

Certification and Licensure Terms and Conditions:

An online degree from Ashford University does not lead to immediate teacher licensure in any state. If you want to become a classroom teacher, contact your state’s education authorities prior to enrolling at Ashford to determine what state-specific requirements you must complete before obtaining your teacher’s license. Ashford graduates will be subject to additional requirements on a state-by-state basis that will include one or more of the following: student teaching or practicum experience, additional coursework, additional testing, or, if the state requires a specific type of degree to seek alternative certification, earning an additional degree. None of Ashford’s online education programs are CAEP, TEAC or NCATE accredited. None of Ashford’s online education programs are accredited by the Council for the Accreditation of Educator Preparation (CAEP), which is a requirement for certification in some states. Other factors, such as a student’s criminal history, may prevent an applicant from obtaining licensure or employment in this field of study. All prospective students are advised to visit the Education Resource Organizations Directory (EROD) and to contact the licensing body of the state where they are licensed or intend to obtain licensure to verify that these courses qualify for teacher certification, endorsement, and/or salary benefits in that state prior to enrolling. Prospective students are also advised to regularly review the state’s policies and procedures relating to licensure as those policies are subject to change.

# The Council for the Accreditation of Educator Preparation (CAEP) is the resulting entity from the
merger of the Teacher Education Accreditation Council (TEAC) and National Council for Accreditation of Teacher Education (NCATE).

Page 184-185

Prospective students are also advised to regularly review the state’s policies and procedures relating to licensure as those policies are subject to change.

California Students: According to education code in California, a degree in professional education does not qualify as the Bachelor’s degree requirement listed in the qualifications to obtain a single subject teaching credential. Thus, the Bachelor of Arts in Education Studies degree offered at Ashford University will not satisfy the BA requirement in the list of qualifications needed to obtain a single subject teaching credential in the state of California.

Current requirements for single subject may be found at https://www.ctc.ca.gov/docs/default-source/leaflets/cl560c.pdf?sfvrsn=16.

Current requirements for multiple subject may be found at https://www.ctc.ca.gov/docs/default-source/leaflets/cl561c.pdf?sfvrsn=12.

Associate of Arts in Military Studies
The Associate of Arts in Military Studies combines a broad general-education curriculum with studies of specific economic, social, political, technological, environmental, and military challenges. This program enables students to earn a degree while expanding their knowledge of current, relevant, and evolving security and military issues.

The Associate of Arts in Military Studies degree provides students with a solid foundation in general education from which the fundamentals of military studies can be drawn. Students will make use of the critically reflective tools for interpreting pertinent historical, cultural, philosophical, and political issues that lead to an understanding of military studies. For more information about program cost, educational debt, and completion rates of students who attended this program, please visit [link to program information].

Program Outcomes Students who successfully complete the Associate of Arts in Military Studies degree program will be able to:

1. Explain the concept of security and how it has evolved;
2. Describe past and current economic, social, political, technological, environmental, and military threats and risks;
3. Discuss courses of action to mitigate threats and risks from real-world security and military events; and
4. Identify moral and ethical issues related to the military.
5. Develop logical reasoning skills at a level useful in decision making and problem-solving activities;
6. Develop the ability to communicate written ideas clearly;
7. Explain the concept of power and how it can be exercised;
8. Apply historical events or perspectives to the study of the military.

Bachelor of Arts in Law Enforcement Administration

Program Learning Outcomes
1. Examine the leadership and management skills appropriate to ethical law enforcement administration;
2. Develop management and leadership skills appropriate to law enforcement administration;
3. Evaluate the practices and systems for maintaining individual rights;
4. Distinguish standards of police responsibility, accountability, ethics, and rights;
5. Explain the intersection of race, crime, and social policy;
5. Evaluate the strategies for effective policing in today’s increasingly complex communities; and
3. Develop an understanding of police responsibility, ethics, and rights;
4. Analyze criminal behavior;
5. Demonstrate an understanding of race, crime, and social policy;
6. Analyze meaningful research that informs leadership in decision-making and policy development.
6. Develop an understanding of the character traits necessary for becoming a responsible, moral law enforcement leader;
7. Evaluate the guidelines for policing in today’s communities; and
8. Create a final project that demonstrates an understanding of research and illustrates critical thinking and clear and concise writing skills.

Major Course Requirements (36 credits)
- HSM 318 Emergency Planning & Response (3 credits)
- HSM 315 Emergency Planning (3 credits)
- LEA 420 Socio Cultural Intelligence in Criminal Justice (3 credits)

Full Admission Requirements
The following requirements must be met prior to the conclusion of the third (3rd) attempted Ashford University course in a degree-seeking program. To start the fourth (4th) course, students must complete all the requirements subsequently outlined and must meet all admissions requirements applicable to their specific degree program. Students who do not complete all requirements will not be fully admitted and will be withdrawn from the program.
- Submission of an official transcript from the regionally accredited or approved nationally accredited institution that awarded the Master’s degree indicating a minimum GPA of 3.0 or an official transcript from a regionally or approved nationally accredited institution that awarded a Doctoral degree, with a degree conferral date prior to the start of the first course at Ashford University.
  - Students who have completed 12 credits or more of doctoral-level coursework may have their GPA calculated for doctoral coursework to meet the 3.0 graduate GPA requirement.
- Students must submit official TOEFL or IELTS scores, if required for admission.

Conditional Admission Requirements
Applicants seeking admission to any Doctoral program must meet the following admission requirements prior to the start of the first course at Ashford University:
1. Have a Master’s degree from a regionally or approved nationally accredited institution with a graduate-level cumulative GPA of 3.0 or higher, or an earned Doctoral degree from a regionally or approved nationally accredited institution;
   - Students who have completed 12 credits or more of doctoral-level coursework may have their GPA calculated for doctoral coursework to meet the 3.0 graduate GPA requirement.
2. Have access to a computer with an Internet connection and meet the minimum technology requirements and minimum computer skills, abilities, features, system configurations, hardware, and software outlined in the General Academic Information & Policies section of this Catalog;
3. Full Admission Requirements
   - Submission of an official transcript from the regionally accredited or approved nationally accredited institution that awarded the Master’s degree indicating a minimum GPA of 3.0 or an official transcript from a regionally or approved nationally accredited institution that awarded a Doctoral degree, with a degree conferral date prior to the start of the first course at Ashford University.
   - Students who have completed 12 credits or more of doctoral-level coursework may have their GPA calculated for doctoral coursework to meet the 3.0 graduate GPA requirement.
   - Students must submit official TOEFL or IELTS scores, if required for admission.

Admissions Policies and Procedures for Doctoral Programs

Conditional Admission Requirements
Applicants seeking admission to any Doctoral program must meet the following admission requirements prior to the start of the first course at Ashford University:
1. Have a Master’s degree from a regionally or approved nationally accredited institution with a graduate-level cumulative GPA of 3.0 or higher, or an earned Doctoral degree from a regionally or approved nationally accredited institution;
   - Students who have completed 12 credits or more of doctoral-level coursework may have their GPA calculated for doctoral coursework to meet the 3.0 graduate GPA requirement.
2. Have access to a computer with an Internet connection and meet the minimum technology requirements and minimum computer skills, abilities, features, system configurations, hardware, and software outlined in the General Academic Information & Policies section of this Catalog;
3. Full Admission Requirements
   - Submission of an official transcript from the regionally accredited or approved nationally accredited institution that awarded the Master’s degree indicating a minimum GPA of 3.0 or an official transcript from a regionally or approved nationally accredited institution that awarded a Doctoral degree, with a degree conferral date prior to the start of the first course at Ashford University.
   - Students who have completed 12 credits or more of doctoral-level coursework may have their GPA calculated for doctoral coursework to meet the 3.0 graduate GPA requirement.
   - Students must submit official TOEFL or IELTS scores, if required for admission.

Doctoral Research
Dissertation & Applied Doctoral Project
As a requirement for graduation from Ashford University with a degree of Doctor of Philosophy (PhD), each student must complete and successfully defend a Dissertation. As a requirement for graduation from Ashford University with a degree of Doctor of Psychology (PsyD), each student must complete and successfully defend either an Applied Doctoral Project or a Dissertation. The Doctoral Research phase begins after successful completion of the Doctoral Capstone Seminar and includes: Dissertation Planning I/II, Applied Doctoral Project Planning I/II, Dissertation, Dissertation Extension, Applied Doctoral Project, and Applied Doctoral Project Extension courses.

Applied Doctoral Project
Students are enrolled in Applied Doctoral Project for a minimum of five credits (RES 8981-8985). Students satisfactorily progressing through the ADP course requirements experience, but not meeting the required milestones in the designated timeframe, will be required to reenroll in the corresponding ADP course experience. Students needing more than two reenrollments in any of the ADP courses will need to appeal to enroll in the
Applied Doctoral Project Extension, RES 8986/8987 to remain in the program and complete the designated milestone(s).
