COMMENCEMENT **SPEAKER**

Kevin Daley

Born in Panama City, Panama, Kevin Daley came to the United States at the age of 12 with his father and two older brothers. Currently a motivational speaker and author, you may know Kevin best as Daley, the 6'5" basketball player and former captain and leader of the world-famous Harlem Globetrotters. You also may have seen his Gatorade commercial with Michael Jordan or even one of his appearances on television shows like "Hell's Kitchen" or "The Bachelorette."

Daley, of Dallas, Texas, became a professional basketball player in 2000 and retired from the Globetrotters in 2014 after 10 years as team captain. He traveled to more than 60 countries. A ball player – he's also an award-winning motivational speaker and an author. He takes it as a personal mission to "motivate and encourage people to greatness."

In fact, it was his passion for motivating others that made him decide to finish his college education. "I found myself talking a lot about the importance of an education in my motivational speeches, and one day I thought to myself, 'How can I speak on education if, when I had the chance to get an education, I didn't take advantage of it?' I also never wanted anybody to label me as 'just' an athlete." In May 2010, Daley graduated from Ashford University (now the University of Arizona Global Campus) with a Bachelor of Arts in Sociology at age 33.

Today, the author of "I Never Stopped Smiling," his autobiography, and "Never Stop Your Goals," a step-by-step goal-setting workbook, Daley uses the lessons he's learned from facing adversity throughout his life to encourage others to uncover their motivating factors within. He attributes a big part of his success to his decision to go back to school and earn his degree. Working toward his degree while playing on the road, Daley often had to forgo time with teammates or play tourist at many of the exotic locations he traveled to keep up with schoolwork. Daley's commitment paid off as he earned his degree with honors, posting a 3.6 grade point average. Completing his studies while traveling over 50,000 miles to play 500 games in 150 U.S. cities and 25 countries is an accomplishment, he hopes will inspire others to do the same.

ALUMNI ADDRESS

Congratulations, graduates of the University of Arizona Global Campus! It is an honor and privilege to welcome you into the University of Arizona Global Campus Alumni Association and your alumni community.

All UAGC alumni share a common bond: *The Global Campus Experience*. Your education, experiences, and friendships are the foundation of your lifelong connection with the University of Arizona Global Campus.

As alumni, you have a responsibility to ensure that those who come after you will find an institution that has been strengthened by your vision, your accomplishments, and your involvement. The mark of a truly great collegiate community is that all members applaud an institution that becomes far better with each generation.

As you graduate, we encourage you to look back upon your fond memories of this special experience and look forward to a future made rich because of your personal investment.

Maintain your connection with your alma mater. Share your successes, challenges, ideas, and thoughts with us at alumni@uagc.edu or through our social pages and groups.

We are thrilled over your achievement, excited about your potential, and humbled by all the possible ways you will change the world and make our planet a better place to live. Enjoy this moment!

YOU'VE EARNED IT!

CONGRATULATIONS, GRADUATES!
