COMMENCEMENT **SPEAKER**

CECILIA MATA, M.A.

Keynote speaker Cecilia Mata serves as chair of the Arizona Board of Regents, the board that provides governance and strategic direction for the state's public universities — Arizona State University, Northern Arizona University, and the University of Arizona. Former Arizona Governor Doug Ducey appointed Chair Mata to an eight-year term on the board in August of 2020.

Chair Mata, who was born and educated in Panama, represents the first in her family to graduate from college; she earned degrees from Universidad Santa Maria la Antigua (bachelor's) and Universidad Latinamericana de Ciencia y Tecnología (master's).

Growing up in Panama provided her with an education in globalization with the Panama Canal connecting the Pacific and Atlantic oceans. As a young girl, she was fascinated by the sight of cargo ships passing through the locks carrying goods to people all over the world.

A lesson instilled by her parents became words to live by for Chair Mata as they told her, "Your degree will take you places." It has done exactly that, providing her opportunities to start businesses, travel the world and become a leader in the community.

Chair Mata is passionate about the impact higher education makes on students and communities. A recent example of initiatives forged under her direction is a new summit to increase collaboration in research and partnerships between the universities and Arizona's military. She is a devoted advocate of public higher education, Arizona's public universities, women-owned small business and small businesses in general.

She is the founder, president and owner of AllSource Global Management, LLC, a professional services company doing business with the Department of Defense. She expanded the company into a comprehensive enterprise that offered diverse products and services to a host of organizations, both public and private.

Chair Mata is fluent in English, Spanish and Chinese. Her first job in the U.S. was as a program coordinator at University of Arizona South, the University of Arizona's Branch Campus in Sierra Vista. She also worked for Cochise County Workforce Development until she opened AGM in 2005.

A leader in Southern Arizona and within the Hispanic community, Chair Mata is a member of the Tucson Hispanic Chamber of Commerce, Women's Business Enterprise Council-West and Women Presidents Organization. She received the 2022 People's Choice AccountabilIT Lifetime Achievement Award from the Governor's Celebration of Innovation Awards; the 2019 Women Business Enterprise IMPACT Award from WBEC-West; and the 2018 Workforce Arizona Council (WAC) Outstanding Council Member of the Year from the State of Arizona. Chair Mata was named the 2013 Tucson Hispanic Chamber of Commerce Businesswoman of the Year, the 2016 Minority-Owned Small Business Champion of the Year by the Arizona Small Business Administration, an outstanding Latina entrepreneur by Cox Communications and she was honored with the SBA 100 award.

She is chair of the board and is an ex-officio member of the University Governance and Operations Committee, Strategic Initiatives and Planning Committee, and Audit and Risk Management Committee. Regent Mata also represents the Arizona Board of Regents on the Campus Research Corp. Board.
