

# Application for NCLEX-RN Exam Credit

Revised Date: 1.12.21

## Submission Instructions

Students in the Bachelor of Science in Nursing program at the University of Arizona Global Campus may be eligible to receive up to 20 non-traditional elective credits for completing the NCLEX-RN® Exam. Students should wait until all previous post-secondary coursework has been reviewed and applied to their program to ensure there is a need for the exam to be reviewed for college credit. Your Academic Advisor can help you determine if you have availability to apply the NCLEX-RN® Exam to your degree progress. To request the credit to be applied, you must fill out this form in its entirety, write a 1-3 page essay (directions below), provide a copy of your current RN license, and submit all documents to [pla@uagc.edu](mailto:pla@uagc.edu).

## Essay

Please explain how the completion of the NCLEX-RN® Exam has contributed to your plans to fulfill the BSN program learning outcomes listed below.

- Apply nursing leadership concepts and skills to promote quality care and patient safety across a variety of healthcare settings;
- Apply (a) current evidence and (b) critical thinking and (c) assessment skills to professional nursing practice;
- Use technological and informatics systems related to health care to promote quality patient care;
- Synthesize local and federal policies that affect health, health care delivery, and health care management;
- Use inter-professional communication and collaborative skills to communicate with and educate peers, health care professionals, patients and their families, and the community;
- Assess health and wellness beliefs and practices to promote health and disease prevention among individuals, families, groups, communities, and populations;
- Articulate the value of pursuing practice excellence, through lifelong learning and engagement, to grow professionally; and
- Integrate holistic nursing knowledge, values, skills, and attitudes into practice across the lifespan and continuum of healthcare environments.
