

Sophia Learning Transfer Guide

Credit Evaluation Guide of ACE Credit Recommendations for Sophia Learning Courses:

The University of Arizona Global Campus (Global Campus) recognizes the uniqueness of each student's experience and realizes learning takes place in a variety of environments. The American Council on Education (ACE) provides a means for recommending credit for corporate training and experience acquired outside of a traditional university classroom setting.

As part of an agreement with Global Campus, specific Sophia Learning trainings and experience have been evaluated by ACE, and credit recommendations have been determined.

Students may pursue their academic and professional goals through a variety of degree programs at Global Campus. For additional information on Global Campus degree programs, please visit [our website](#).

Students are responsible for requesting their ACE transcripts

To request ACE transcripts, please visit: <https://www2.acenet.edu/credit/?fuseaction=transcripts.main>

Transfer Provisions

Students must complete 120 credits to obtain a Bachelor's degree. A maximum of 90 combined nontraditional learning, prior learning, and transfer credits may be accepted and applied toward the 120-credit requirement. Within the 90-credit maximum, a maximum of 75 credits of nontraditional credit, including a maximum of 30 credits of prior learning, may be applied toward a Bachelor's degree. Official transfer credit evaluation takes place once a student is enrolled at Global Campus, and all official transcripts have been received. Washington and Oregon residents may apply a maximum of 30 credits toward a Bachelor's degree from any combination of prior learning assessment or other nontraditional learning, including national testing programs, or credit recommendation services.

For additional information on the University of Arizona Global Campus transfer options, please visit: <https://www.uagc.edu/admissions/transferring>.

Additional Information

- Unless otherwise noted, courses not listed and deemed to be college level or equivalent by ACE will be evaluated for elective credit.
- Courses deemed to be vocational level will not be considered for credit at the University of Arizona Global Campus.
- Graduate-level credits cannot be applied to undergraduate degrees.
- Lower division courses that meet upper division courses in content only will be marked with cross (*). These courses do not count towards the completion of 30 upper-division credits required for graduation.
- Courses marked with an asterisk (*) must be combined with additional courses in the subject area to satisfy the credit requirement.
- Courses that meet more than one General Education requirement can only be applied to one area. A course cannot apply more than once unless it carries the required credit.
- Multiple courses may meet a particular General Education Requirement, however only one course is needed to satisfy the requirement.
- Courses being transferred to meet the Information Literacy Core Competency, the Digital Literacy requirement, or any Computer specific course must have been taken within the last 5 years.
