

## Associate of Applied Science in Nursing

to

## Bachelor of Science in Nursing

Pending receipt and evaluation of official transcripts, this program to program transfer pathway is unofficial; does not guarantee automatic acceptance of transfer credits; and is based solely on Cochise College coursework with a grade of C- or better. The University of Arizona Global Campus (UAGC) course applicability and availability to take additional coursework beyond the designated Cochise degree will vary based on each student's individual transfer credit situation. We recommend students work with their UAGC Academic Advisor during their first UAGC course to ensure duplicative coursework is not scheduled pending their official transfer credit evaluation. For complete degree, residency, and transfer credit policies, please refer to the UAGC catalog. Successful completion of this UAGC program by itself does not provide licensure or certification in any state, regardless of concentration or specialization.

For questions about the University of Arizona Global Campus portion of this transfer pathway, contact [articulation@uagc.edu](mailto:articulation@uagc.edu).

Cochise General Education Courses	Credits	UAGC Course Applicability / Notes
BIO 201 Human Anatomy and Physiology I	4	Scientific Reasoning Competency (Approved to meet the HIM 205 Anatomy & Physiology I prerequisite)
BIO 202 Human Anatomy and Physiology II	4	Elective (Approved to meet the HIM 206 Anatomy & Physiology II prerequisite)
BIO 205 Microbiology	4	Elective (Approved to meet the Microbiology prerequisite)
