

2023-2024 Transfer Pathway

Associate of Applied Science in Nursing to Bachelor of Science in Nursing

Pending receipt and evaluation of official transcripts, this program to program transfer pathway is unofficial; does not guarantee automatic acceptance of transfer credits; and is based solely on Dallas College coursework with a grade of C- or better. The University of Arizona Global Campus (UAGC) course applicability and availability to take additional coursework beyond the designated Dallas degree will vary based on each student's individual transfer credit situation. We recommend students work with their UAGC Academic Advisor during their first UAGC course to ensure duplicative coursework is not scheduled pending their official transfer credit evaluation. For complete degree, residency, and transfer credit policies, please refer to the UAGC catalog. Successful completion of this UAGC program by itself does not provide licensure or certification in any state, regardless of concentration or specialization.

For questions about the University of Arizona Global Campus portion of this transfer pathway, contact [articulation@uagc.edu](mailto:articulation@uagc.edu).

Dallas General Education Courses	Credits	UAGC Course Applicability / Notes
†MATH 1342 Elementary Statistical Methods	3	Quantitative Reasoning Core Competency <i>(Approved to meet the Statistics prerequisite)</i>
ENGL 1301 Composition I	3	Written Communication I Core Competency

<b>Total UAGC Credits</b>	<b>60</b>	<i>Total includes remaining BSN pre-requisites.</i>
<b>Total Required Credits for Bachelor’s Degree</b>	<b>120</b>	<i>Must include 30 upper division credits.</i>

Successful completion of AAS degree and NCLEX/RN licensure is required prior to enrollment into the BSN program.

All UAGC courses are required unless otherwise noted. Any UAGC course prerequisites not completed in transfer are required to be fulfilled even if those prerequisites are not a requirement within the selected UAGC program. Course prerequisites are listed in the UAGC catalog.

†Preferred course to be taken at Dallas. If not taken as part of the designated Dallas degree, the course may also be taken as an optional equivalent course at Dallas.

Lower-division transfer courses will not count towards the 30-credit upper-division requirement at UAGC.
