

PACE Student

to

Bachelor of Science in Information Technology

This transfer pathway is unofficial; does not guarantee automatic acceptance of transfer credits; and is based solely on completion of a qualifying associate degree with grades of C- or better and a qualifying Revature PACE training. The University of Arizona Global Campus (UAGC) recommends students work with their UAGC Academic Advisor during their first UAGC course to ensure duplicative coursework is not scheduled pending their official transfer credit evaluation. For complete degree, residency, and transfer credit policies, please refer to the UAGC catalog. Successful completion of this UAGC program by itself does not provide licensure or certification in any state, regardless of concentration or specialization.

For questions about the University of Arizona Global Campus portion of this transfer pathway, contact articulation@uagc.edu.

For students completing the Java with Angular or Java with React training:

UAGC Courses Met Through Pathway Agreement	Credits	UAGC Course Applicability / Notes
ASH 101 - Launchpad: Developing Skills & Strategies for Success	3	Met through pathway agreement.
General Education Coursework	37	*Met through pathway agreement.
GEN 499 - General Education Capstone	3	Met through pathway agreement.
MAT 232 - Statistical Literacy	3	Met through pathway agreement with completion of Revature Java with Angular or Java with React training and transfer credit from qualifying associate degree. These Revature trainings include 6 upper-division credits.
ECO 203 - Principles of Macroeconomics	3	
ENG 328 - Scientific & Technical Writing	3	
TEC 101 - Fundamentals of Information Technology & Literacy	3	
CPT 200 - Fund. of Programming Languages	3	
CPT 301 - Computer Organization & Architecture	3	
CPT 304 - Operating Systems Theory & Design	3	
CPT 310 - Database Systems & Management	3	
INT 304 - Web Design & Development	3	
Electives	20**	

Total Potential Credits to be Met Through Pathway Agreement 90**

UAGC Major Courses	Credits	UAGC Course Applicability / Notes
INT 301 - Computer Networking	3	
CYB 300 - System Administration & Security	3	
TMG 300 - Scrum Basics	3	
CPT 307 - Data Structures, Algorithms, & Designs	3	
CST 301 - Software Technology & Design	3	
INT 302 - Programming with C++	3	
INT 303 - Human Computer Interaction	3	
INT 305 - Mobile Application Design & Development	3	
INT 401 - Information Technology Strategy & Management	3	
INT 499 - Capstone for Information Technology	3	Required, non-transferable capstone course that must be taken last.

Total UAGC Credits 30

Total Required Credits for Bachelor's Degree 120 *Must include 30 upper-division credits.*

For students with completing the .NET Full Stack training:

UAGC Courses Met Through Pathway Agreement	Credits	UAGC Course Applicability / Notes
ASH 101 - Launchpad: Developing Skills & Strategies for Success	3	Met through pathway agreement.
General Education Coursework	37	*Met through pathway agreement.
GEN 499 - General Education Capstone	3	Met through pathway agreement.
MAT 232 - Statistical Literacy	3	Met through pathway agreement with completion of Revature .NET Full Stack training and transfer credit from associate degree. This Revature training includes 6 upper-division credits.
ECO 203 - Principles of Macroeconomics	3	
ENG 328 - Scientific & Technical Writing	3	
TEC 101 - Fundamentals of Information Technology & Literacy	3	
CPT 200 - Fund. of Programming Languages	3

Total UAGC Credits 30

Total Required Credits for Bachelor's Degree 120 *Must include 30 upper-division credits.*

Required UAGC major coursework may vary based on individual student transfer credit history. Unless otherwise indicated, any UAGC course prerequisites not completed are required to be fulfilled even if those prerequisites are not a requirement within the selected UAGC program. Course prerequisites are listed in the UAGC catalog.

*Upon completion of an Associate of Arts degree, Associate of Science degree, or qualifying associate degree with a minimum 2.0 cumulative GPA, students will have fulfilled all lower-division General Education requirements at UAGC.

**Students must fulfill 120 credits for graduation. Student may need to complete additional coursework to meet graduation requirements. MAT 222 Intermediate Algebra (3 credits) and MAT 232 Statistical Literacy (3 credits) are graduation requirements for this program. If students do not have transfer credit that directly meets one or both of these requirements, they will be required to take the UAGC course(s) in addition to the 10 upper division major courses.

Lower-division transfer courses will not count towards the 30-credit Upper-Division Requirement.

Students are responsible for working with their academic advisor to ensure courses are scheduled according to their specific pathway based on their specific completed PACE training.
