

Associate of Applied Science in a Health Profession

to

Bachelor of Arts in Health Care Administration

Pending receipt and evaluation of official transcripts, this program to program transfer pathway is unofficial; does not guarantee automatic acceptance of transfer credits; and is based solely on Temple College coursework with a grade of C- or better. The University of Arizona Global Campus (UAGC) course applicability and availability to take additional coursework beyond the designated Temple degree will vary based on each student's individual transfer credit situation. We recommend students work with their UAGC Academic Advisor during their first UAGC course to ensure duplicative coursework is not scheduled pending their official transfer credit evaluation. For complete degree, residency, and transfer credit policies, please refer to the UAGC catalog. Successful completion of this UAGC program by itself does not provide licensure or certification in any state, regardless of concentration or specialization.

For questions about the University of Arizona Global Campus portion of this transfer pathway, contact articulation@uagc.edu.

†Preferred course to be taken at Temple, where available as an option within AAS degree program requirements. Otherwise, students are expected to complete their chosen AAS as outlined in Temple Catalog. If not taken as part of the designated Temple degree, these courses may be completed as optional additional course at Temple (financial implications may apply/will want to talk to an advisor about options). UAGC General Education categories met in transfer may differ slightly depending on the Temple degree earned.

Lower-division transfer courses will not count towards the 30-credit upper-division requirement at UAGC.

***Please note:** Students in the Diagnostic Medical Sonography, Emergency Medical Services, Nursing, Respiratory Care, and Surgical Technology programs should complete both a Speech and Math course regardless of AAS requirements at Temple.
