

Bachelor of Arts in Health Care Administration

Program Type: Online

Did You Know?

- All CCAF AAS degrees are accepted in transfer by the University of Arizona Global Campus.
- You only need a maximum of 60 additional credits from the University of Arizona Global Campus to complete your Bachelor of Arts in Health Care Administration.

Degree Focus:

The Health Care Administration major provides foundational knowledge in health-related topics, operations, and applications for those working in or seeking careers in the rapidly growing healthcare industry. The degree is characterized by an interdisciplinary and integrated learning approach, reflecting the realities of the healthcare system. Specific curriculum in health administration, regulation and financing, health care planning, health policy, and quality monitoring is provided.

Program Outcomes:

Health Care Administration major graduates will be able to:

- Analyze the legal and ethical issues of healthcare systems;
- Explore cultural and social-demographic variables influencing the delivery of healthcare services;
- Examine the provision of healthcare services within a regulatory environment;
- Analyze the major financing systems of U.S. healthcare services;
- Analyze the major forces driving change in the healthcare system;
- Assess the major issues confronting community and public health services; and
- Apply the theoretical dimensions of leadership within the health care environment.
