

Bachelor of Arts in Business Administration

Program Type: Online

Did You Know?

- All CCAF AAS degrees are accepted in transfer by the University of Arizona Global Campus.
- You only need a maximum of 60 additional credits from the University of Arizona Global Campus to complete your Bachelor of Arts in Business Administration.

Degree Focus:

The Bachelor of Arts in Business Administration program prepares students for professional opportunities and advancement in dynamic, global business environments. The program is designed to focus on both current and emerging business issues while incorporating a foundation of business literature and theory appropriate for future success in managing the business function of the firm. Students also gain additional skills in critical thinking, problem solving, quantitative analysis, applied business research, and business writing in addition to fundamental knowledge of accounting, finance, production and distribution, management, marketing, business law, and strategy.

Program Outcomes:

Business Administration major graduates will be able to:

- Examine the role of competitive advantage in business environments using strategic and operational methods;
- Compare and contrast regional, national, and international business environments;
- Evaluate the legal, social, political, and economic environments of business;
- Analyze financial information and other business data to ensure effective managerial decision-making;
- Design effective solutions by diagnosing organizational problems; and
- Create a strategic business plan.
