

Please note: All UMA transfer students will take the following first five courses in sequence: ASH 101 or BUS 105, GEN 103, HWE 200, GEN 104, ENG 121. This sequence has been designed specifically for our UMA students and should be completed in order. Taking these courses may affect total transfer courses applied, based on each student's unique credit history.

Ultimate Medical Academy Associate of Science in Health Information Technology to Bachelor of Science in Health Information Management

This program to program evaluation is unofficial and does not guarantee automatic acceptance of transfer credits indicated. Transferrability is based on a grade of C- or better in all coursework.
